Jennifer,

Thank you for your response. I have been told that we have worked out the formatting problems. Do you need to review it before we file it on Thursday?

With respect to Plaintiffs Concise Statement of Facts, we intend to oppose your motion. Consequently, we cannot at this time agree to respond to your Concise Statement until the Court rules on your motion.

If you have any questions, please do not hesitate to contact me.

Mark

Mark-

Attached is the Joint concise statement for your Summary Judgment. The formatting may need some work, particularly in places where I have responded with a lengthy answer. Of particular concern is No. 357 where I have put in all the text but it is not visible completely on the screen.

Additionally, I am wondering if you would consider responding to a Plaintiff Concise Statement of Facts for Thursday even though the decision regarding the Amendment of Plaintiffs' Motion for Summary Judgment has yet to be made.

Thank you,  
Jennifer
